The Sphere Project

Humanitarian Charter And Minimum Standards In Disaster Response

The Sphere Handbook, 2004 edition 330pp + CD

This revised edition is the result of feedback from users, worldwide consultation with practitioners, and from training workshops. It features revisions from focal groups of representatives from national and international NGOs, the Red Cross & Red Crescent movement, UN agencies, academic institutions and donor government ministries. Key changes include:

- Addition of an entirely new section on food security
- Incorporation of cross-cutting issues including gender, disabled, environment, and protection
- Updated and refined qualitative and quantitative indicators
- Expanded introduction
- Development of common process standards
- Clearer cross-referencing and more concise, user-friendly text

The 2004 edition features a free CD-ROM featuring the full searchable text.

The Sphere Project Training Package 96pp + 400pp + CD

This pack features excellent training materials, developed and field-tested by Sphere Trainers. It contains:

- TRAINING MATERIALS
- TRAINERS' GUIDE
- CD-ROM

The fully photocopiable training materials include references to both 2000 and 2004 editions of the Handbook throughout, so that they can be used with either version.

The Sphere Project Film: An Introduction to Humanitarian Challenges

45 mins, available on video and DVD

This specially filmed full-colour footage from Sierra Leone and other locations introduces the Sphere principles and practices in a real field situation. It forms an ideal orientation package for humanitarian and development aid workers.
